SQUARE LINE PLANTER/TROUGH RANGE

Topppo are a GRC (Glassfibre Reinforced Concreted) manufacturer with over 30 years' experience, an Australian family owned company who have helped develop the GRC industry into what it has become today,

With the versatility of GRC there are almost no limits to what can be achieved and manufactured, almost any texture, shape and colour can be achieved, With our team of master craftsman.

We have recently released our newest range of Standard 'Off- the shelf' square line planter troughs which are available to all customers, whether you are after just the one or are looking at a commercial project that may require several hundreds, Topppo can accommodate.

These Planter troughs come standard with the following

- 3 Standard colour choices, Sandstone, Portland Grey and the most common Charcoal
- Formwork Smooth Finish
- Glass Reinforced Ribs for extra strength
- Several drainage holes or Drainage fittings if required

NEW!!!

We are also now offering an option for all Planter troughs to be painted to virtually any colour as per the customers requirements.
